Hardworking College Student seeking employment, Bringing forth a motivated attitude and a variety of powerful skills, Adept in various social media platforms and office technology programs. Committed to utilizing my skills to further the mission of a company. Database analyst with expertise in SQL, Java, Python, and cyber security, I bring a wealth of experience in analyzing and managing complex data systems. My strong problem-solving abilities, attention to detail, and dedication to maintaining data integrity allow me to deliver efficient solutions that drive business success. With a proven track record of improving data processes and identifying vulnerabilities, I am committed to ensuring the highest level of security for all databases under my care.
